Response to 11/23/05 Advisory Action

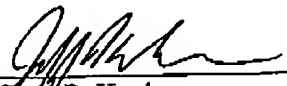

**REMARKS**

The only outstanding rejection of the pending claims, 59-62 and 65-146, is a provisional double patenting rejection over claims 1 to 5 and 10 to 47 in co-pending application 09/396,710 ("the '710 application"). *See, e.g.*, Advisory Action mailed November 23, 2005. Applicant informs the examiner that an amendment is being filed in the '710 application concurrently with this response that, *inter alia*, cancels claims 1 to 5 and 10 to 47 of the '710 application. Accordingly, the provisional double patenting rejection of the claims pending in this application is moot. Applicant believes that the application is in condition for allowance.

No new fees are believed to be due with the filing of this document. However, the Commissioner is hereby authorized to charge any fees which may be required, or credit any overpayment to Deposit Account 18-1260.

Respectfully submitted,  
for GENENTECH, INC.
